Dear Mike:

A heartfelt thank you for your assistance and expertise on the 1999 CMN Champions Promo Shoots and Satellite Feeds which took place in the Animal Kingdom at Walt Disney World on April 16th. Even with a few unexpected challenges, with great teamwork and quick thinking on the part of our awesome crew, we were able to successfully accomplish our game plan -- and even the weather cooperated!

We truly appreciate the level of professionalism and the great attitude you showed while working with us on this project. We look forward to working with you again in the future.

Best of luck to you in all your endeavors.

Warmest regards,
