Dear Mike Lacey,

Thanks to the tireless efforts of our production team for The Reel to Reel Picture Show, the pilots are now in the can!

You were an integral and valued member of the team and we thank you very much for your contributions to the success of the production at Disney-MGM Studios.

The Canadian team of Bill Lewochko, Kitty Cargill, Pauline Harley and Graham Milne and the U.K. team of Martin Cherry, Charlie Brodie and Jim Humphreys all extend their appreciation and thanks to you as well!

We're maintaining the offices at Disney while we're out selling the show and we're confident the show series production will be 'reel' soon!! So, please keep in touch and thanks again!!

Sincerely,

Alexander (Sandy) Cherry
